

the land for a municipal solid waste disposal site. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments

Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a municipal solid waste disposal site.

Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification of the land described in this notice will become effective 60 days from the date of publication in the **Federal Register**. The lands will not be offered for conveyance until after the classification becomes effective.

Dated: August 6, 1997.

Ron Huntsinger,

Field Station Manager, Tonopah, NV.
